Katy Pope:

Since you will not acknowledge how you and your society has screwed me
out of \$7,790 labor & material, tax, profit and stolen tools. I have decided
to dedicate the Wildlife Rehabilitation & Nature Preservation Society,
Director Katy Pope: 1-228-452-WILD, or send email to ktraina@aol.com, Pass
Christian, Mississippi, and no others.

You have obtained your goal of scamming me by having Director Ben Clark,
Mississippi, Harrison County Building Code office to break the law and let
your building stand. Ben Clark knew your society did not obtain a building
permit, but yet authorized electrical power to be hooked up to your building.
Ben Clark told me on three phone conversation that if their was a building
there he would have it torn down. So, now it is known how CORRUPT BEN CLARK
is.
